CHILD SAFEGUARDING

One of our main objectives is to keep our pupils safe.

If you have any concerns regarding a child's safety or welfare in school you could contact the School's Designated Child Safeguarding Officer - Mr Aled Williams. If you have concerns regarding a child's safety outside school you can contact Gwynedd's Child Safeguarding Officer by calling **01758 704455** (Out of hours number: 01286 353551), or by emailing cyfeiriadauplant@gwynedd.llyw.cymru

BULLYING AND ONLINE SAFETY

When bullying occurs staff will strive to prevent further bullying. We want our pupils to be happy and safe in school. We will not tolerate bullying. Pupils are aware that they can talk to any member of staff to report on bullying.

As parents / guardians you can contact me or the deputy to discuss bullying or report on any incidences of bullying.

You may also like to visit www.bullying.co.uk or many other similar websites for further advice—links to these and other sites can be found in the Parents section of the school website <http://www.ysgolbotwnnog.org/eng/gwefannau-defnyddiol.html>

There is a wealth of useful information about keeping your child safe online on the NSPCC's [Net-Aware](http://www.net-aware.org) website which gives specific advice about social networks, apps and games.

NUT FREE ZONE

For serious medical reasons, no nuts or products which contain nuts are allowed at school.

A nut allergy is a very dangerous condition that can lead to serious illness.

Therefore, we kindly ask you to be careful when preparing any packed lunches or snacks for your children to make sure they do not contain nuts or nut products (such as chocolate bars / energy bars / biscuits / cakes).

Thank you very much for your cooperation with this important matter.

APPEAL—SCHOOL BOOKS

Please can you take a look to see if you have any books that belong to school. Some pupils forget to return textbooks or library books. I would appreciate if you could return any such books to school please. Thank you for your help with this.

YEAR 11 - 2021/2022

RESULTS

Congratulations to this year's year 11 pupils on their results.

Ysgol Botwnnog's pupils' results were amongst the highest in Gwynedd and North Wales.

As a result of their hard work during their time at school, nearly all of Year 11 pupils achieved 5 or more GCSEs with 88% achieving at least 5 A*-C grades and nearly a third of the pupils gaining at least 5 A*/A Grade.

The following prizes were handed out in the Prom:

Glyn Jones Memorial Shield - Most promising rugby player - **Ioan Vaughan Jones & Ioan Emrys Williams**

Lewis Roberts Memorial Shield for excellence in STEM subjects- **Gwern Williams**

Sporting champions - **Jini Hughes & Noa Williams**

Idris Williams Memorial Shield - Citizen of the year - **Elgan Williams**

Livery Company of Wales' shield for most promising student - **Ela Rhys**

Congratulations and best wishes to all the pupils for their future.

Thanks to the teachers and parents for supporting them over the last five years.

The cards and gifts that came from pupils and parents thanking the school are very much appreciated.

CURRENT YEAR 11

It is also a difficult time for current year 11 pupils.

Qualifications Wales are continuing to work on arrangements for this year including publishing information beforehand about some of the content of the exams.

We will share more information as it becomes available.

YEARS 10 AND 11

EXTERNAL EXAMINATIONS

Year 10 and 11 pupils will be sitting **OFFICIAL EXTERNAL** exams (which **WILL** count towards their final grade) at various times during the two years - some dates at the back of this bulletin.

CONTROLLED ASSESSMENTS / NON-EXAMINATION ASSESSMENTS (Coursework)

Controlled Assessments and Non-Examination Assessments (previously called coursework) is important in most GCSE subjects. They count between 20% and 100% of the final mark in almost every subject.

These are held throughout years 10 and 11 in various subjects - from first lesson in Year 10 until May in Year 11.

Most of these have to be completed within a specific number of hours under the supervision of a teacher - so if your son/daughter is absent from lessons then they will have to catch up, at lunchtime or after school.

SKILLS CHALLENGE CERTIFICATE AND WELSH BACCALAUREATE

The BAC course is followed by everyone in years 10 and 11. In year 10 pupils have to complete 3 challenges which will be assessed under controlled conditions at school. In year 11 an individual research project will be completed by all, based on the pupil's future aspirations. On completion of the four pieces of work a grade will be awarded - this is the Skills Challenge Certificate, which is equivalent to a GCSE and has similar grades.

To gain the BAC qualification pupils must also pass 5 GCSE or equivalent qualifications including Maths and a Language.

ATTENDANCE

Good attendance remains a priority. Despite the current situation the attendance of the majority of our pupils remains very good.

Regular attendance is essential for pupils to take full advantage of all chances provided for them.

WHEN SHOULD I KEEP MY CHILD HOME BECAUSE OF COVID-19?

The latest advice from the authorities is that you should keep your child home from school if:

- they display symptoms of COVID-19 - cough, fever, change to sense of smell or taste;
- they receive a positive LFT test.

If you are unsure, speak to the Test, Trace and Protect team or contact school.

ABSENCE—INFORMING US

To ensure that everybody who should be in school is present, please contact the school on **EACH morning** of absence so that we know if your son / daughter should be here or not.

We ask you to let us know if your son / daughter is absent by **calling 01758 730220 between 8:15 and 9:15**.

If the school hasn't received a call by 9:15 telling us why your child is not in school, then we will contact your home or workplace.

If your son/daughter arrives late—they should register in the school office.

APPLICATION FOR FAMILY HOLIDAY DURING THE TERM

Directives from the Welsh Assembly via the Local Authority regarding the authorisation of school holidays during term time has changed. In order for us to authorise any holiday during term time parents need to make a **written application to school before going on holiday**.

The school's Governing Body has discretionary powers, which have been deputed to the management team, to authorise term time holidays. This will depend on the length of the absence and any previous holidays, the pupil's current attendance rate, the time of year, the effect on the pupil's educational progress and any disruption to assessments / examinations. No more than 5 days of holiday will be authorised in any school year for pupils in years 7-9.

If we are unable to authorise holidays beforehand then the absence will be recorded as unauthorised on the pupil's record.

WE WILL NOT AUTHORISE HOLIDAY ABSENCES DURING YEARS 10 AND 11 AS IT IS BOUND TO HAVE AN EFFECT ON YOUR SON/DAUGHTER'S PROGRESS, UNLESS THERE ARE VERY EXCEPTIONAL CIRCUMSTANCES.

COLLECTING YOUR CHILD DURING THE DAY

If you need to collect your son/daughter during the day then you need to let the office know. Pupils should ensure that they register out of school before leaving the site, and register back in upon their return to school during the day. Please phone the school office when you are at the school gates rather than entering the premises.

ILLNESS DURING THE SCHOOL DAY

If your son/daughter is ill during the day and needs to be collected then a member of the school staff will contact you. Pupils are not allowed to contact you directly to arrange their collection when they are ill. Please phone the school office when you are at the school gates rather than entering the premises.

MEDICATION POLICY

If you want your son/daughter to take any medication in school you will need to **fill a consent form 3B** (available in the school office.) Please remember that any medication is to be kept in the school office apart from an asthma pump (on occasions). The full policy and consent form can be downloaded from the school website (PARENTS - DOCUMENTS) or you can contact us to request a paper copy.

ADVERSE WEATHER AND SCHOOL CLOSURE

If a situation arises that we have to close school for reasons beyond our control—weather, no electricity or water, etc; we will try to send a text message to every home to inform you. We can text message every home within minutes—so long as we have a valid mobile phone number.

We will also make an announcement as soon as possible on Radio Cymru and on the Council website - www.gwynedd.gov.uk

If we have to close school during the day and have to send pupils home for health and safety reasons we will follow these procedures:-

- i. inform the home by email and/or text,
- ii. pupils should return home on the school bus (if that is how they come to school),
- iii. pupils should then return to their home or the house of a relative or friend (according to your instructions).

MOBILE PHONES

- **The use of mobile phones or portable communication devices of any kind during school hours (8:40 - 3:35) is not allowed.** This includes the journey to the P.E. lessons at the leisure center.
- If you need to contact your son/daughter in an emergency you can contact the school office. Similarly, if your son/daughter really needs to call you, they can do so from the office.
- If they bring a phone with them to school, they should be turned off when they arrive at school, and kept switched off and out of sight until they leave school grounds at the end of the day - if they wish they can leave their phone in the office during the day.
- If pupils break this rule, we will take the phone off them and keep it safe until the end of the day.
- If a pupil breaks the rule more than once, we will take the phone off them and keep it safe until you can discuss the situation and collect the phone from school.

We will consider allowing pupils to take a phone on trips outside of normal school hours for convenience - but to be used strictly according to the teachers' guidelines.

The school does not accept any responsibility for theft, loss or damage to mobile phones or other portable communication devices.

TRAVELLING ON SCHOOL BUSES

Gwynedd Council is responsible for arranging school transport. Information, including timetables, how to apply for free transport and the council's transport policy is available on their [website](#).

If your child is eligible for a free bus pass then they should have received it by now. If not please contact the school office or the school transport department 01766 771000. The bus pass should be carried daily to ensure that they can travel on the school bus. If a bus pass is lost then a replacement must be ordered from the County Council from the school office at a cost of £5.

Safety on the school bus is very important. Pupils must behave responsibly and safely when travelling to school and must follow the rules in the School Bus Travel Behaviour Code. If, for their safety and that of others, they do not follow this Code, the local authority and the school may take action against them. This can mean removing the right to school transport and even excluding them from school.

The code of conduct can be viewed by clicking [here](#).

The school does not have the authority to allow any pupil to travel on a bus other than that on the bus for which they have a pass, e.g. to go to Pwllheli or to the house of a friend or other relative. This rule must be adhered to for reasons of health and safety.
